

3rd Annual

Geocache Challenge

Spring Mill State Park
Saturday, February 7

"Things that once were, are no longer."

Bring your GPS unit and complete a multi-stage challenge that will take you on a unique tour of Spring Mill State Park!

A special prize will be awarded to the first person/team who completes the entire challenge!

Drop by the Nature Center between 11am and 4pm to get the coordinates to the first cache or warm up between stages (we'll have hot drinks available!).

The entire challenge is designed to be completed in 2-3 hours; you may continue to look for caches after 4pm, but no help will be available after 5pm (and it can get really cold once the sun goes down)!
